

# CUP WINNERS!

Not only did Fosdyke Football Club reach the finals of the Target Newspaper Challenge Cup Final for the first time in twenty-five years but they outplayed and outclassed higher-league side Conningsby in a 3-0 victory that saw Matt Howden score a hat trick and receive man of the match.

It was a joy to watch at Boston Town's ground with some classy football from Fosdyke that you'd be happy to see in a Carling Premiership game. Conningsby supporters were heard grumbling that Fosdyke had drafted in ringers but this was the same team that's been entertaining supporters at Puttock Gate all season.

And next season Fosdyke will be playing in Division One of the Boston & District Saturday Football League after finishing runners up in Division Two. One of Fosdyke's most successful seasons. Give 'em your support next season!

## CAT KILLER

There's been another shout about the speed of cars in Fosdyke. Apparently several cats have been hit and killed along Old Main Road.

Mrs Cameron's cat was hit a month ago, killed outright, while a lady opposite her has had two killed. A few houses along and the

people there have had three cats knocked down and killed. It's all very upsetting.

Mrs Cameron lives near the church and says, "whichever way drivers come into the village by the time they get to us they are well over the 30 speed limit." Pray it's not a child next time

Weeds are thriving this month, so keep on top of the situation; hoe on warm days and leave them on the surface to wither and die in the sun.

Another constant task around the garden at this time of year is deadheading - remove spent flowers from containers, pots, hanging baskets, beds and borders, deadheading diverts energy from producing seed into producing new flowers, so is a good thing all round.

Watering is essential once the weather is drier and warmer (hopefully). Water thoroughly once or twice a week rather than little and often (containers and hanging baskets need watering every day), this encourages plants to put down roots in search of water rather than coming up to the surface. Water is a precious commodity, use kitchen and bath water (as long as it is neither too dirty, greasy nor full of detergent) and collect rainwater in

water butts. Avoid using tap water, however, for lime hating plants such as camellias - they will not thank you for it!

Keep an eye out for pests around the garden. Try to keep the use of chemical controls to a minimum - they may kill off pests, but they also kill off the beneficial insects that prey on them such as ladybirds and hoverfly larvae.

Continue the campaign against slugs and snails. They love young shoots, so use pet-friendly slug pellets, drench the ground around Hostas with liquid slug killer to exterminate slugs below the surface. Keep an eye out for snails and pick them off....what you do with them is up to you. Birds are your friends here - flat stones artfully located are useful

accessories for birds to practise their snail bashing techniques.

Caterpillar and aphid infestations can be dealt with by hand if caught early enough, but should the situation veer out of control you will have to resort to insecticides or grin and bear it! Don't forget aphids and other sap-sucking insects can transmit viruses so don't give in to the sympathy vote.

## Don't forget the cuddly toy

Margaret Johnson and Karen Britchford would like to thank everybody who donated their unwanted cuddly toys for their stall at the Tractor Rally.

A good day was had with everything selling out and raising £144.80 going towards the new set of swings for the Playing Field for the older children of the village to enjoy. Installation of the new swings is due to begin mid June all being well. So once again a big thank you to everyone who donated and came down on the day and bought tickets.

## UNREHEARSED HOLD THE FORT

With a break in the schedule last month for a private party and it being a Bank Holiday weekend the expected acts never materialised so it was left to resident band The Unrehearsed to entertain, playing lots of new material.

Open Mic Nights are held on the first Saturday of the month at the Fosdyke Social Club. Don't Forget it's free. If you've not visited the club for a while, or you've never been, why not come along and sample its delights?

From left to right: Ivor Simpson, Christine Graves, Colin Goddard, Gill Johnson, Wendy Hallam, Brian Smalley, Betty Walmsley, Roger King and Myrtle Clasper.

Let us know if you have any photos to share.

## FIXED DATE

Dates have finally been fixed for the preparation and erection of the senior children's swings, so come the end of June the fruits of everyone's labours will be ready to be enjoyed.

May we ask parents and guardians to please ask their children to keep away from the area while the work is carried out. There will be some excavation going on so it should be quite obvious which area to avoid. We're relying on everyone to be sensible while the work, which should only take a couple of days, is in progress. Fingers crossed, there won't be any delays.

Thanks once again for all the donations, for the Social Club in raising most of the capital with its regular schedule of events and entertainment, and the Playing Field Committee for helping to fill the desires of our younger villagers.

# BE CAREFULL WHAT YOU PRAY FOR!

As I write this letter we are emerging from what seems like a very long and harsh winter.

At last, we're now enjoying warmer weather. As I drive around the diocese, it seems as though all of a sudden I am surrounded by wonderful vibrant shades of green in our fields, and flowers finally springing forth in all their spring and summer glory in our gardens and along the roadsides. It is a wonderful sight and I thank God for the natural beauty we can all enjoy.

I'm also aware, though, that the vagaries of the weather have made this last year a particularly tough one for all those who farm in our diocese.

In Lincolnshire, perhaps more than most places in the country, we are very aware of being at the mercy of the weather. I'm reminded that the Bishop of Ely was once approached by a group of farmers and asked to pray for rain because the ground was so parched and their crops were suffering. Several weeks later, the same farmers were back at the Bishop, asking him to pray for the rain to stop, since it had fallen incessantly since their last

visit and their crops were in danger of being ruined. We need to be careful what we pray for!

This month, many of us will be going to the Lincolnshire County Show, one of the country's largest agricultural shows. It's a timely reminder of our reliance on the land and our dependence on good

weather – for work, for play and for the food we eat.

Take time to stop and notice the beauty of our natural environment this month. And as you do so, spare a thought for those who work on the land in our diocese and provide food for our tables, and thank God for them.

The Bishop of Lincoln  
Rt Revd Christopher Lowson

# THE VINTAGE TO CLASSIC TRACTOR ROAD RUN AND FUN DAY

Sunday,  
12 May

Eighteen-month-old Freya Mehmet came all the way from Sleaford to see the tractors. She loved it!

Fosdyke playing field and Social Club once again played host to this annual event and, while it may not have been the most glorious of days for weather, the rain held off for the Road Run in which sixty-two tractors were counted - although fifty-four had been the official figure to have pre-booked.

All money raised from the event goes to Macmillan Cancer Support. We've not been able to ascertain how much that was yet but a good crowd enjoyed both the tractors and the attractions.

While there weren't quite so many tractors as the previous year it was still a success and numbers do fluctuate from year to year.

Fosdyke is lucky to be the host village and it was good to see so many villagers making the most of an event that few villages can boast about.

# UNEQUALED FACILITIES!

With Fosdyke Parish's population standing at around five hundred it might come as a surprise to know that the Social Club currently has a

membership of close to one hundred. A fifth of the population belongs to the club? Well, no, actually most of the members don't live in Fosdyke. It's therefore somewhat ironic that non-Fosdyke people are supporting the facilities of our village.

Other than The Ship, the Moorings Cafe and the Village Hall there isn't anywhere else in the village where you can socialise and have a quiet drink, be it alcoholic or otherwise (they do a wicked cappuccino).

Clubs and pubs aren't everyone's cup of tea, of course, but there are plenty of different events for all the family (although there's a watershed of 9 pm for children of younger members). Regular monthly Bingo sessions and Quizzes attract a good crowd and the newly instigated Open Mic Nights offer free live entertainment

that's walking distance for most people in the village. There are darts and pool competitions for all abilities as well as teams in the local pools league if you fancy a real challenge. The choice is yours. Ronnie Wicks and Pauline Fish host The Cube once in a while with new games being added each time. There's Chicken racing at Easter, special meal evenings like Harvest Supper and Christmas Dinner, and the very popular Race Night that used to be held at the Village Hall but is now held at the Social Club itself. The Club recently had a live singer and last September held an amazing Comedy Nite with five comedians from Milton

Keynes, Northampton and Cambridge

At present, the club's main opening hours for members and guests are Fridays and Saturdays from 8 pm, with the former the most social of the two as the latter day is reserved mainly for events, although members are still able to use the bar. Wednesday evenings sees the club open for the two pool teams from about 7.30 pm and every other Sunday when the pool team plays at home. During the football season the bar is also open from half time until about 5 pm.

It's a shame that more people in the village don't make the most of the Social Club. At £3.50 for a year's membership, or £6 for a family - two adults, two children - (saving 50p on every paid event during the year) it's a great deal.

But the Social Club isn't just there for you to enjoy. Without it we wouldn't have the envied facilities of the children's adventure playground, the multi-sport arena, a well-kept playing field, changing room and showers, and one of the best bowling greens in the area.

So, the Social Club would like to see you dip your toes in the door and sample some of their beverages. Prices are very reasonable and there's always a real ale available for the beer connoisseur, plus lager, Guinness, and a good selection of spirits, wine and soft drinks. Support the village and enjoy yourselves at the same time!

## GOODFELLOWSHIP START THEIR SEASON

Mixed fortunes for the four teams that Fosdyke's bowls club, Goodfellowship, fielded at the start of their season. Of the six games they've played in the Spalding League two-wood triples they've only won one game with the others all 5-1 defeats.

However, the Conningsby League team won their Jubilee Cup match to make it through to the next round and in the individual cup competitions Dick Allen and Terry Martin saw off the opposition in the Gratton Cup, but have since had to accept a walkover in the next round due to a rule technicality. Liz and Terry Martin won their Patrons Trophy game and in the four-wood singles Hopper Cup Terry Martin has made it into the third round after beating Chris Warboys in the first round and getting a walkover in the second round through his opponent being unable to attend the fixture.

## DARTS PAIRS

One of the annual events at the Social Club is a Darts Drawn Pairs tournament with the previous winners taking on allcomers. An excellent turnout was still unable to knock Ronnie Wicks and Christine Bristow off the top spot as they once again took the trophy. We wish Christine well after her recent knee replacement operation.

## CELEBRATING JOSH READ

When Mick Read's teenage son Josh died in a car crash the day after he'd represented The Queen, Donnington, in a Wigtoft Pools League game at the Fosdyke Social Club the league decided they would create a memorial trophy to celebrate his life.

This year's final, played at Fosdyke Social Club, were Gary Willis from The Sportsman in Boston and Dan Thompson from The Golden Fleece in Wigtoft. After five games it was Dan who took the trophy.
